Take rag baths with a shirt and a plastic bag, wash clothes by soaking in a plastic bag with soap and water for 30 minutes, then rinsing, use a plastic bag as a one-time toilet.

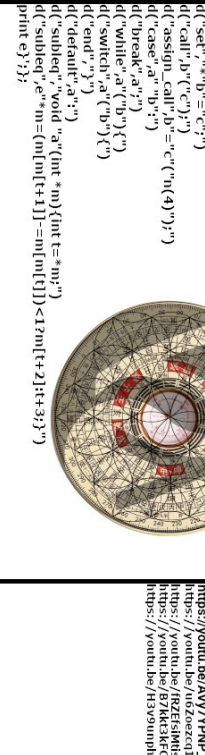

some of the more expensive gear can be purchased one part at a time. 1. start by getting a used mountain bike in disrepair. 2. fix the bike one part at a time. 3. get one piece of safety gear. 4. add a motor. 5. add bags... it is more attainable to accumulate the gear slowly over time.

motorcycles are extremely dangerous. most motorcycle injuries are caused by speeding, not wearing protective gear, riding while intoxicated, tired, or angry, lack of riding experience, and riding in bad weather.

optional: camper

A recreational vehicle, trailer, or camper allows one to live on the go in a fashion closer to a house. For multiple people in a group, simply add additional trailers.
